

Kiiminkijoki paddling 2017

Experiences and the peacefulness of nature!

The Kiiminkijoki paddling is meant for all people who are interested into paddling and beautiful river nature. During the three days 9.-11.6.2017 you will descend the river Kiiminkijoki in kajaks, canoes or rowing boats. Start point is the lake Juorkunajärvi in Utajärvi and end point the magnificent rapids Koitelinkoski in Kiiminki.

Whole tour or day trips

The whole tour Kiiminkijoki paddling 2017 takes three days and is about 100 km long. Start point is the lake Juorkunajärvi in Utajärvi and end point the rapids Koitelinkoski in Kiiminki. The daily distances vary between 20 and 40 km. You can take part either in the whole tour or only into day trips.

Attendance fees

Whole tour / 3 days 80 €
day trip 40 €

The attendance fee covers a campsite or sleeping in a school, possibilities to wash yourself, transport at the end of the tour days as well as security services.

The tour offers experiences and challenges for both beginners and skilled paddlers.
